The sport of Cowboy Action Shooting consists of shooting targets, many of which are steel, with live, all lead, ammunition. **All ammunition must be loaded to SASS (Single Action Shooting Society specifications)** for the safety of participants and spectators. If you are uncertain of your ammunition speed or type, contact Colt Starbucks. Participation in this sport is done so *with the knowledge that shooting firearms is inherently dangerous and it is impossible to guarantee, completely, that occasional lead splatter will not enter the shooting and spectator area.* Every precaution is taken by the **Jefferson Rifle Club**, to make this a safe sport however, we cannot be responsible for injuries or property damage caused during shooting matches. **All participants and observers must bring and wear hearing and eye protection on the range while there is gunfire.** The club is not responsible for personal injuries, damage to vehicles, equipment, firearms or clothing. **Unsafe behavior, improper use of firearms, failure to obey safety instructions, use of alcohol or drugs (illegal or performance hampering prescription), or failure to respond to any safety command will result in an immediate call of cease fire until the situation is rectified.**

Signing this registration indicates that you agree with the above conditions of the match/training and that you knowingly forfeit the right to hold the Jefferson Rifle Club, its officers, workers, and/or match personnel liable for injuries or damages caused while participating in shooting events.
